

Aspen Speedos Meeting 4/8/03

Attending

Laura, Archie, Kelley, Nona, Elaine, Mary, Victoria, Elizabeth, Greg

Discussion

Assistant Coach

We are still working on an assistant. Laura is going to follow up with Kallie and Teri to see if they are still interested. Mary mentioned that Aleena may be a possibility. Victoria is teaching a life guarding class next week and it would be good to get the assistant in it. Victoria does not think we have a WSI instructor around for the coach's safety class. We may have to contact Red Cross about getting a class.

Logo

Archie sent to printer. No additional changes in design.

Sweats

Elaine ordered sweats. The original amount plus extras. They will all be pull-overs. She said they would probably be done in the next day or so. We will give to kids as a surprise at the meeting. Prices for sweats for purchase will be \$25 for all tops, \$20 for adult pants, and \$15 for youth pants.

Swim Suits

Suits will sell for \$30 women's and \$20 men's.

Caps/Goggles

Goggles will not be kept in inventory due to the many different types that the kids like. Caps will be silicone with the color closest to the color of the swim suit blue. Elaine had found several places to purchase caps on-line. The logo will be put on both sides of the cap. An order will be placed for about 100 caps, the minimum order. May possibly order some of the latex caps also.

Ducky Derby Credits

Barbara Wickes asked that her credit be used for a scholarship for anyone needing help with the team fees. Decision to retain any unused credits in a fund for such purpose.

CSI/Registration Fees

Discussion on how to handle fees and dates. Decision to have new swimmers pay \$67 at sign up (\$17 for CSI and \$50 deposit). If a swimmer decides to join team, \$50 will be credited to their fee. If they don't join team, no refund. New swimmers and existing team must sign up by May 1st.

Reunion Meeting

Reviewed time/place. Cannot bring in refreshments due to contract with concessionaire. Someone may bring in a birthday cake. Laura to finish up flyer and get printed. Laura will get flyer sent to Community school and ACD. Elaine will get notice in papers.

Sopris Swim Day

No date set yet. Victoria had contacted Howard but could not yet confirm a date.

Swim Camps

Info on Delta camp discussed. Scheduling problem with May Madness but some people may still go. Mary had info on AFA camp. Elaine took all info on camps and will distribute.

2003 Schedule

Decision on 2 remaining meets: Grand Junction and Durango. Also decided to leave option for attending the Rifle meet.

Board

Discussion about not making the board so formal. Try to keep it more casual; possibly just having a Team Manager and a few people coordinate the many different functions. Elaine made up a beginning list which will be distributed to the group for comments. Discussion about possible liability issues if team is so formalized; but much information is already showing people in positions.

Andrew Kole Show

Reminder about show. Elaine will be there.

Pictures

Kelley to contact photographer about taking team/individual pictures.

Aspen Speedos Meeting

Agenda

4/8/03

1. Assistant Coach
 - Needs to get certified
2. Logo – any further discussion
