Fundraising:

Pitkin County granting no funds to the team. This is the same as in the past.

The City of Aspen is not interviewing this year, but we are told that our in-kind grant should be fine.

Fall Season items:

The CSI Open at DU will have both a prelims/finals option as well as a finals-only portion.

The Austin, Texas meet in January is prelims/finals meet.

Hopefully we will have more than the regulars attend.

Aspen meet wrap-up: We got all 10's on the evaluations turned in. ARC personnel coverage can be improved.

Travel Meet Participation:

Ideas to research with hopes of increasing swimmer numbers at travel meets- team hotel, team flight, fun activities while at meet, possible WSL relay teams, Gordon to make flyer to

distribute.

[Bill Landis](#) has expressed an interest and asked for an interview as soon as possible.

Board voted to assign Gordon as our proxy to vote no-confidence on the league official's chair at the Western Slope League meeting.

Coaches Incentives:
